
Guest Payment Instructions

A simple guide to paying for your stay.

These instructions explain how deposits, balances, and security deposits work, and how to complete payments securely through Ground Stay.

01

RECEIVE YOUR PAYMENT REQUEST

It arrives two ways.

You will receive an email from Ground Stay and a notification inside your guest portal. Both contain the same secure payment request.

02

OPEN THE PAYMENT LINK

One tap opens it.

Tap the payment button in the email or in your guest portal. The link opens a secure payment page hosted by Stripe — the same provider trusted by airlines, hotels, and major retailers.

REVIEW WHAT YOU ARE PAYING FOR

Four kinds of payment.

Your payment request will be one of these. The label is shown clearly on the page.

01

Deposit

Secures the reservation.

02

Remaining Balance

The amount still owed after the deposit.

03

Full Payment

Pays the entire booking amount in one transaction.

04

Security Deposit

Separate amount required by property policy. Refundable.

04

COMPLETE SECURE PAYMENT

Pay with confidence.

Payments are processed by Stripe through an encrypted checkout. Enter your card details, confirm, and you're done. Ground Stay never sees or stores your card number.

05

RECEIVE CONFIRMATION

Everything updates on its own.

Your booking, your records, and the front desk are all notified automatically. You do not need to message staff to confirm that you paid — they can already see it.

PLEASE NOTE

Deposit Paid ≠ Fully Paid

A deposit secures your booking. It does not mean the booking is fully paid. A remaining balance may still be owed before or at check-in.

EXAMPLE · A TYPICAL BOOKING

Booking total	**THB 10,000**
Deposit paid	**THB 2,000**
Remaining balance	**THB 8,000**

The remaining THB 8,000 can be paid by a balance link, in cash at check-in, or as the property allows.

UNDERSTANDING SECURITY DEPOSITS

Separate from your room charges.

A security deposit may be required by property policy. It is held separately, does not replace your booking payment, and is refundable subject to inspection at check-out.

FREQUENTLY ASKED QUESTIONS

Q. I paid my deposit. Am I finished?
A. Not necessarily. Check your booking for any remaining balance.

Q. How do I know my payment worked?
A. Your booking and payment records update automatically.

Q. Can I pay my balance later?
A. Yes, if the property allows it. Staff can send a remaining-balance payment request.

Q. Why did I receive another payment request?
A. It may be for a remaining balance or a security deposit.

Q. Do I need to contact staff after payment?
A. No. Payments update automatically.

NEED HELP?

Reach the property through your guest portal.

Front-desk staff respond on approved channels — no need to chase payment confirmations.
